Good morning! In an effort to help the Viking Academy staff develop a better understanding of each individuals' needs, we have developed some questions to get to know you all better.

Today we would like to focus on learning about each of you individually. This will be accomplished by answering each of the questions provided below. The questions should be answered in paragraph form and be extremely thorough. The information you provide will better help us understand who you are, where you have been, and where you would like to be in the future.

When answering the questions, consider your family, friends, background, ethics, dreams, goals, strengths, achievements, hobbies, activities, clubs, certificates, etc...

Answers should use appropriate grammar, spelling and punctuation.

Who am I?

Where have I come from?

Where do I want to go?

How am I doing?

What do I need?

What have I accomplished?
