You are going to watch an episode from the 1990's television show "Saved by the Bell" and complete the Narrative report. Be sure to follow directions and give a clear description to answer each part.

\*Please use the episode that you just watched as a guide to answer the following questions about the episode's narrative. Please use complete sentences to answer each question.

1. Who are the main characters of the episode? (Think clearly about this. Not every main character in a TV Show is necessarily the main character in a specific episode.)

The characters were Karen, Karen's Simp(Zack) and Teacher.

2. What is the setting of the episode? (This should include if there are multiple settings throughout the episode.)

The settings were the teacher's house and the school.

3. Give a brief description of the **Introduction/Exposition** of the episode. What characters are introduced? Is there any important information about the setting or conflict given in the introduction? If so, what was it?

Karen met her simp at a camp and the Teacher has a date.

4. What is the **Rising Action** of the episode? Give details to describe the rise in the episode's tension or suspense.

Teacher boss trying to get the Teacher to attend a meeting for him. Karen goes to Simp's school.

5. What is the **Climax** of the episode? This is the greatest tension in the story and the turning point. Give a few details to describe this moment.

Teacher tells off her boss. Karen discovers Simp was lying about his age.

6. What is the **Falling Action** in the episode? This is the part of the story that falls between the climax and the resolution/end. What details let you know that this is the falling action in the episode?

The teacher's date gets interrupted by Simp. It is also revealed that the teacher is a widow.

7. What is the **Resolution/End** to the episode? This is where the problem is resolved. This ending does not have to be happy, but must complete the story.  
It ended with the Simp and the Teacher eating pie.
